

TRANSLATION OF BENEFICIARIES AND CHILDREN'S LETTERS

*I would like to thank you for the new toys. All the children loved them and were very happy, and so was I. I am very grateful to everyone who has looked with love and importance on all of us. May God the Father bless you all greatly. It is very good and comforting to have all this care and attention.*

*Thanks!*

*Marjory Lindsay*

*Julya:*

*I really liked the toys. They are really good for kids. And there are lots of toys. I really enjoyed the tic-tac-toe and the football game. I really liked them. Very cool toys.*
