

Ytre Arna School aims to create a safe and educational environment for you:

- **Say hello:** This shows that you care.
- **Speak nicely to all children and adults.** This makes the school a safe place to be.
- **Hear the first message.** Adults give messages that help your learning.
- **Listen when others speak.** You can learn a lot by listening.
- **Let someone know if you are sad, quarreling or need someone to talk to.** The adults are there to help you.
